PROFILE

Highly motivated and enthusiastic team player with the ability to streamline processes and effectively resolve project issues. Seeking a challenging position in a reputable organization to apply my learning and acquire new skills, contributing to team success and organizational growth.

EXPERIENCE

Intern – Xplocode Infotech
Jun 2025 – Sep 2025

Assisted in the design, development, and testing of web applications using **React.js / Next.js** and modern front-end tools. Collaborated with senior developers to implement responsive UI components and improve overall user experience. Gained hands-on exposure to **API integration, debugging, and version control (Git/GitHub)**.

PROJECTS

Xplocode Official Website | demo ⤴

Built and contributed frontend features for the company's official website during internship.Enhanced website performance and improved UI/UX consistency.

Travel Tro | demo ⤴

Designed a real-time and static bus route system for commuters, providing quick access to routes, timings, and stops. Optimized for smooth performance across all web

Eswar Internatiaonal | demo ⤴

Engineered a responsive website for a fruit and garland export company, optimizing for modern aesthetics, seamless navigation, and cross-web compatibility to deliver an engaging user experience.
